SUSTAINABLE HOSPITALITY: Preserving Our Pristine Location

At Fox Harb'r Resort, we are dedicated to doing our part to protect and preserve the environment. We have adopted many best practices to minimize our environmental footprint – from water-saving devices and erosion prevention, to on-property greenhouses, 25 bee hives and catch-and-release trout ponds, plus Atlantic Canada's first Ocean Wise™ certified restaurant. We keep finding ways to host greener events and meetings while developing alliances with other eco-friendly suppliers, partners and local organizations committed to maintaining the nature that makes us so unique.
