# FOX HARB'R RESORT

Wallace, Nova Scotia

Sam Mattina teeing off.

Ron Joyce's name is synonymous with the Tim Horton franchise but he also is responsible for Fox Harb'r Resort, a five star, four diamond resort and gated community in Wallace, Nova Scotia sprawling over 1,100 acres of impeccably manicured gardens and spectacular ocean views.

He was born in Tatamagouche, Nova Scotia and it was in 1987 when Ron Joyce was at home that he had stumbled upon a parcel of wilderness (approx. 1,100 acres) on the water with 6 km of beautiful oceanfront shoreline near his hometown that captured his heart. He knew he wanted to make it something special, so he decided he would build a Golf course and asked architect, Graham Cook to design it.

Golf Digest has rated it as one of the best courses, Rolex has chosen it as one of the World's Top Thousand and this course has been host to such as UK Prime Minister John Major, Tony Blair, Bill Clinton, George W. Bush, Al Gore, General Colin Powell, Tiger Woods, Wayne Gretzky and many more.

You can enjoy an unforgettable golf experience with this championship golf course; the immaculately trimmed fairways offer a variety of services that can enhance golfers of all skill levels.

Sport shooting is an exhilarating compliment to a round of golf, guests can discover the thrill of trap and skeet shooting under the careful guidance of staff at the elegantly rustic sporting lodge. This full sporting clay shooting facility is truly one of a kind and offers numerous stations set up throughout the forest with various skill levels and creative shooting scenarios for all levels of shooters or you can try the five stand sporting clay condensed version that is designed to offer a wide range of targets of exotic and standard clays. Even first time clay and skeet shooters can gain expert instruction for the initial safe use of a firearm for clay and skeet shooting at Fox Harb'r and the course can be set to one's level of experience.

The course has also been rated as one of the Top 20 Golf Resorts in North America and the Caribbean.

Sight seeing tours, fly fishing, hiking, biking and nature trails are just some of the other activities at Fox Harb'r. Trail rides with Forever Memories Equestrian Partnership offers expert trainers and guides promising guests a memorable riding experience through the resort's scenic pastures and views of the oceanside and beach. Outdoor activities have expanded with the addition of sit-inside sea kayaks. According to Peter Phillips, Director of Sport Shooting, Hunting, Fishing & Water Sports, "Sea kayaks are designed for paddling on open water and Fox Harb'r Bay; a calm and protected tidal bay. In this serene setting, paddlers enjoy outstanding views and photo opportunities from the water plus extensive bird wildlife as well as sunsets and sunrises on the horizon offering spectacular vistas from wherever you are at Fox Harb'r." One must experience the opportunity to try their hand at fly fishing on the well stocked
