

MAY LONG WEEKEND

GUIDE 2018

Since 1845, before Canada was even a nation, the May Long Weekend, or Victoria Day, has been a cause for celebration.

Today, this public holiday marks the unofficial start to Canadian summer: shorts, sandals, patio weather and outdoor adventures. Make the most of your extra time off with the first of our Fox Harb'r weekend getaway guides.

Patio Time

The terraces off both the Cape Cliff Dining Room and **The Willard** are ready to welcome visitors all season long. This weekend is a great time to raise a glass of the brand-new vintage of Nova Scotia's unique province-wide wine appellation, the crisp, seafood-friendly **Tidal Bay**. Or chill out with a distinctive pint from nearby Tatamagouche Brewing Co., like their North Shore lagered ale.

Pure Adventure

You can't visit Fox Harb'r without fitting in some sort of unique activity including **sporting clay** shooting, new Segway tours, horseback riding or sea kayaking. *Check the full schedule on next page and book your spots in advance.*

Short Course

While our championship golf course is already almost fully booked this first long weekend, golfers looking to improve their short game and putts, new golfers, couples and families can all fit in a fast, fun round on our **9-hole, par 3 oceanside course**. *Green fee + club rental just \$50 pp.*

Water World

Make a splash at our indoor **junior Olympic pool**, hot tub and mineral pool.

Foot Work

Lace up your shoes and explore our 15 km of resort walking and biking nature trails, including the 5 km long oceanside Fox Trot Trail. **Complimentary bikes** can be signed out at the Pro Shop, downstairs in the Clubhouse. The Pro Shop and Guest Service both have trail maps. *And if you are feeling even more active, Guest Service can also fill you in on area hiking trails and Nova Scotia's Blue Route for biking.*

Prices are per person and subject to applicable HST. All activities and time slots are subject to change without notice subject to weather and other factors. For tennis, volleyball and bikes see the Pro Shop. For horseshoes stop by the Sporting Lodge.
