

THEMED EVENT IDEAS

At Fox Harb'r we are here to create exactly the event you want. Here are three of our most popular, proven options. Now, let's talk!

"KITCHEN" PARTY

In Nova Scotia, a ceilidh (pronounced: *kay-lee*) or kitchen party is all about "sociable." People talking and drinking, listening to music and storytelling, in a relaxed, welcoming atmosphere. We add the opportunity to sample tasty mouthfuls of great local flavor. Keep the canapes, platters and stations as simple or elaborate as you wish. Add some Nova Scotia wine, craft beer, cider or whiskey. However you prefer your kitchen party, it will be a great night.
