4. Culinary training in a recognized school or apprenticeship program
5. Ability to confidently interact and consult with guests on a daily basis
6. Excellent interpersonal and communication skills in leadership and team problem solving
7. Possess necessary skills and creativity to enhance food quality and presentation standards within a consistency based framework
8. Ability to train others within the defined standards using established and accepted culinary techniques
9. Must display attention to detail and strong organizational skills
10. Ability to deal with several operative outlets and catering venues simultaneously – Fox Harb'r operates three kitchen facilities on property
11. Ensure workplace and food safety requirements are consistently met
12. Inventory management, portion control, and waste minimization
13. Current sanitation certificate, food handler training, WHMIS
14. Emergency first aid and CPR training an asset

Responsibilities

1. Assist Executive Chef in the management and direction of all culinary operations
2. Assume a leadership role in the kitchen to assist in making the kitchen successful everyday
3. Assist in the planning and execution of all menus for dining service and banquet events
4. Ensure all menu items are prepared to standard in a timely and efficient manner and to customer requirements
5. Promote effective communication and co-operation with all departments
6. Follow up on all day to day and extra duties for all Team Members
7. Ensure that all mis en place is completed in a timely and efficient manner
8. Ordering and procurement of required supplies for daily operation, inventory and cost controls
9. Scheduling and labour control
10. Ensure cleanliness and organization of all kitchens is maintained and that all food product is properly stored
11. Ensure all appropriate provincial health regulations and food handling techniques are followed
12. All other assigned duties from Executive Chef.

At Fox Harb'r Resort, we know every employee is a valued part of the team. Our benefits include:
