

Position Title: Director of Maintenance
Position reports to: President
Salary: \$65,000, Benefits
Employment: Full-time, year-round

Fox Harb'r Resort is a 5 Star 4 Diamond property nestled along the coast of the Northumberland Strait in Wallace, Nova Scotia. We are offering a unique opportunity for you to experience a 5 Star Luxury work environment. With this opportunity you will be presented with a distinctive career, experience, and benefits in a World Class setting.

General Description To provide direction and monitor performance of the Fox Harb'r Building Maintenance employees to ensure that all buildings and equipment are maintained at optimal levels to the satisfaction of the owner guests and members. Coordinate the repair, renovation and enhancement of resident owner building as directed by the home owners in coordination of the Director of Membership. Is responsible to develop and maintain a comprehensive building maintenance program on an on-going basis. Responsible to ensure all fire, life and safety systems are up to date and maintained at all time.

Qualifications & Requirements:

- Must possess flexible leadership style to accept, manage and execute changes in daily routine with competing priorities.
- Must possess ability to create and execute long-term and short-term plans.
- High-quality, professional verbal and written communication.
- Decision making and judgment focused on safety, prevention, and a high-quality guest experience.
- Extremely detail-oriented
- Excellent communication skills, both verbal and written
- Strong interpersonal and leadership skills to handle the day-to-day demands of the job
- Exceptional analytical skills needed for critical decision-making
- Excellent time-management skills
- Excellent technical expertise

Responsibilities:

- Be fully knowledgeable on all resort buildings and equipment
- Conducting routine inspections of equipment
- Ensure all employees under direction are trained in WHMIS, Harassment Prevention, COVID-19 Prevention and all government required training.
- Ensure all employees under direction are trained to use all vehicles and equipment in a safe manner and to provide all required safety equipment.
- Personally, handling basic repairs when required.
- Overseeing contractors when professional repairs are necessary, ensuring the best pricing and quality of work is achieved.
- Diagnosing mechanical issues and correcting them as required
- Repairing machines, equipment, or structures as necessary
- Contact technicians, trades or contractors where required to facilitate the above
- Have the team be supportive to all resort departments when requested or required
- Ensure that the communication lines on Maintenance request are responded to promptly.
