Explore our famously beautiful coastline on a private day cruise for up to 12 guests aboard our exclusive 62-foot, crewed Ferretti Yacht. Join our Captain and crew for a luxurious day on the water cruising the coastline or travelling to deeper waters. Chances to see marine wildlife and an option to anchor and jump-in for a dip! Day trips include soft drinks, water and snacks. Additional catering options (food & beverages) available (arrangements must be made in advance). The Yacht has a washroom and changing area and is

equipped with regulation safety equipment. This activity is dependent on tides, weather and wind factors which could cause short notice cancellation.

Meeting Place: 10-15 minutes prior to your scheduled departure, please meet at the Marina by the Lighthouse.

Payment Methods: This activity charge will be applied directly to your room account. Should you wish to pay separately by credit card or debit, a separate trip to the Sporting Lodge will be required prior to departure time.

Safety: Your safety is our 1st priority and therefore a safety talk to review safety measures will be given at the beginning of this guided tour. Since this may be the first time you are experiencing the ocean, please be aware of seasickness and upon return to land, may cause a short period of unsteadiness or weakness in the legs.

Clothing & Footwear: Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Bring a jacket or sweater as the wind on the water is typically cooler than on land. Footwear should be comfortable and flat for optimal balance. Sunscreen, hat and sunglasses are a must to protect from the elements. Bathing suits are optional to bring, while towels will be provided.
