

Guided E-Bike Tour

During this experience you get to enjoy the freedom of peddling without expending your entire stash of energy! Using the peddle assist function on the e-bike, going any distance is more relaxing and gives an opportunity to take in the scenery while you ride along the "Trans Canada Trail." This guided tour takes you safely into the bustling village of Tatamagouche, where you will get to enjoy a cold beer or beverage at the local Tata Brew before being driven back to the resort.

Adult sized E-Bikes only. Child size Peddle Bikes available.

Safety: Prioritizing your safety is paramount, so always wear a helmet, follow the guide's instructions, and adhere to traffic rules to ensure a secure and enjoyable cycling experience.

Clothing & Footwear: Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Clothing should not be restrictive to allow free movement of legs and arms while avoiding loose flowing garments. Recommend footwear is comfortable sneakers – note that traction footwear is preferred (smooth soles can be difficult to ensure a steady form). Long hair should be tied back. Sunscreen is always a good addition. Bring a small backpack should you require any additional items you may want to carry with you. Must be securely strapped to your body.

Water bottle is highly recommended.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card or debit.
