Lodge Wooded Trail: Embark on a tranquil journey through our wooded nature trail at the Sporting Lodge, where the rustling leaves and dappled sunlight create the perfect ambiance for a serene walk, with the added thrill of a chance encounter with the diverse and enchanting wildlife that calls Fox Harb'r - Home.

Local Area Trails: Explore the beauty of our surrounding communities with a network of diverse trails, offering hikers and nature enthusiasts an array of options, from challenging mountain paths to leisurely strolls, ensuring an adventure suited for every level and an opportunity to discover the natural wonders of the local area. Ask our Guest Services team for recommendations.

Safety: Prioritize your well-being and enjoyment by adhering to essential bike safety measures, including wearing a helmet, signaling clearly, and respecting traffic rules, ensuring a secure and pleasant ride for you and those around you. All bikes are to be returned by dark.

Clothing & Footwear: Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Clothing should not be restrictive to allow free movement of legs and arms while avoiding loose flowing garments. Recommend footwear is comfortable sneakers – note that traction footwear is preferred (smooth sole can be difficult to ensure a steady form). Water bottle is highly recommended.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card or debit.
