

Horseback Trail Ride

Enjoy an off site trail ride at a near by horse stable, with well trained horses on beautiful trails that allow you to experience the breathtaking beauty of Waugh River, where rolling hills embrace the riverbanks, creating a picturesque landscape that is adorned with lush greenery. The serene waters of Waugh River reflect the surrounding tranquility, offering a peaceful escape and providing visitors with captivating views of the unspoiled natural beauty of this Canadian gem. Included in this activity is a Fox Harb'r luxury shuttle to and from the stable.

Timing: Please note you will not be on the Trail Ride for a full two hours as time is taken up with shuttling to and from the Stables, as well as getting settled on the Horses. Trail Ride is 60 minutes, remaining 60 minutes is for travel as well as getting settled at the stable with the Trail Guide.

Safety: We prioritize your safety during a horseback trail ride by asking you to wear appropriate riding gear including the provided helmet, following the guide's instructions, and maintaining a calm and controlled demeanor to ensure a secure and enjoyable equestrian experience.

Clothing & Footwear: Long pants, a fitted long or short sleeved shirt, and it is always best to have layers that can be added or removed depending on your comfort and any change in weather. A boot or shoe with low heel is ideal, the heel prevents your foot from slipping and getting caught in the stirrup. A running shoe is sufficient, however, open toe shoes, high heels, flip flops and sandals are not permitted. Sunscreen and Bug spray are always recommended when being outdoors.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card, debit or cash.
