

# Salt Water Fishing

There is no better way to unwind and relax than to try your hand at salt water fishing! Enjoy 2 hours on our pontoon boat with up to 4 guests and the use of 4 salt water rods. Our waters are full of mackerel just waiting for you to catch and release back into the ocean.

**Competition/Games:** Our Guides are more than happy to set up a friendly competition between groups or family members – you’ll get some practice in and then “let the games begin”. The key is to have all in attendance enjoy their experience and even want to do more fishing in the future!

**Safety:** Your safety is our 1<sup>st</sup> priority and therefore a safety talk to review safety measures will be given at the beginning of this guided tour. Since this may be the first time you are experiencing the ocean, please be aware of seasickness and upon return to land, may cause a short period of unsteadiness or weakness in the legs.

**Clothing & Footwear:** Inclement weather aside, it is always best to have layers that can be added or removed depending on your comfort. Clothing should not be restrictive to allow free movement of torso and arms while avoiding loose flowing garments. Footwear should be comfortable and flat for stable balance – to get to the boat dock. Avoid dangling earrings and necklaces and any facial jewelry that could get in the way of the fishing line such as a nose piercing or lip piercing. Long hair should be tied back. Sunscreen and a hat are always a good addition.

**Payment Methods:** We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card, debit or cash and visit the sporting lodge for final payment.
