

Activity Trifecta

FOX HARB'R
RESORT

Discover the thrill of archery, axe throwing, and sport shooting at our premier facility. Whether you're a pro or a beginner, our expert instructors will guide you to hit your mark and enjoy an unforgettable adventure.

Safety: Your safety is our utmost concern. Therefore, a safety talk will commence after waivers are signed. Our professionally trained guide will walk you through ear and eye protection which is provided and worn at all times for Sport Shooting. The correct stance and position to avoid injury from kickback and general guidelines while on an active shooting range.

Clothing & Footwear: Wear light, breathable layers which provides essential protection from the elements while clothing should not be restrictive to allow free movement of torso and arms while avoiding loose flowing garments. Dress for the weather. These activities are outdoors but under a shelter. Sunscreen is always a good idea! Footwear should be comfortable and flat for stable balance - note that traction footwear is preferred (smooth sole can be difficult to ensure a steady form). Earplugs, eye protection and a fitted vest will be provided.

90% of our Archers are barehanded however, some Archery Shooters like to wear tight fitting gloves (these are not provided by the Resort) – please bring own. Avoid dangling earrings and necklaces and any facial jewelry that could get in the way of the bowstring such as a nose piercing or lip piercing. Long hair should be tied back.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card, debit or cash.

Cancellation Policy: We require 24-hours' notice for any cancellations or rescheduling. Cancellations made within 24 hours of your scheduled activity or no-shows will result in a full charge. If you need to modify your reservation, please contact Guest Services.

*While we have indicated a minimum age of 12 years old, if a child can demonstrate the ability to safely handle the equipment and the guide has determined they have the maturity to exercise the safety procedures, they may participate in this activity. **NOTE:** If at any time, the guide determines anyone regardless of age or ability, is not fit to partake in any Activity, they have the right to refuse participation immediately.
