

Axe Throwing

Unleash your competitive side with an axe throwing experience that's equal parts thrill and precision. Perfect for first-timers and seasoned throwers alike, this hands-on activity challenges you to test your focus, technique, and aim in a fun, high-energy setting. Guided instruction and friendly competition make it easy to learn, addictive to master, and unforgettable to share—whether you're planning a group outing, or simply looking to try something new. Step up to the lane, take aim, and discover why axe throwing is one of our most talked-about adventures.

Safety: Your safety is our top priority. All participants are required to attend a mandatory safety briefing after waivers are signed. During this briefing, a professionally trained guide will review proper axe handling, throwing technique, stance, and lane safety protocols to help prevent injury. General guidelines for behavior and awareness within an active throwing area will also be covered to ensure a safe and enjoyable experience for all guests.

Class Sizes & Private Sessions: Our Axe Throwing experiences are offered in small group settings to ensure personalized instruction while maintaining a fun and social atmosphere. When booking, please note that your reservation is not exclusive unless your group meets the maximum class size of 8 People or you choose to reserve the experience as a Private Session. If you prefer a private experience with the guide exclusively dedicated to your group, a Private Session fee will apply. Availability for private bookings is limited and subject to scheduling.

Clothing & Footwear: Wear light, breathable layers and dress for the weather. This activity takes place outdoors, with activity conducted under a shelter. Comfortable, flat footwear with good traction is recommended for stable footing (smooth soles are not advised). Sunscreen is encouraged.

Payment Methods: We are happy to apply your Activity Fee to your guest room account which will only require a signature as you register for the start of your Outdoor Activity. You can of course use a credit card, debit or cash.

Cancellation Policy: We require **24-hours' notice** for any cancellations or rescheduling. Cancellations made within 24 hours of your scheduled activity or no-shows will result in a full charge. Activity will operate rain or shine to ensure a seamless experience.

NOTE: If at any time, the guide determines anyone regardless of age or ability, is not fit to partake in Axe Throwing, they have the right to refuse participation immediately.

*The minimum age is 12; however, younger participants may be allowed at the **guide's discretion** if they can safely handle the equipment and follow all safety procedures.
