

# Pontoon Cruise

Cruise the dramatic coastline of the Northumberland Strait, home of the warmest waters north of the Carolinas. Experience views of Fox Harb'r from the shoreline and a tour of Wallace Bay while you enjoy the sea breeze or a sunset scene. Our Founder's Lodge and Lighthouse begin and end the journey and in between, there's a good chance you will see our resident herd of seals or waterfowl to complete the experience.

**Safety:** Your safety is our 1<sup>st</sup> priority and therefore a safety talk to review safety measures will be given at the beginning of this guided tour. Since this may be the first time you are experiencing the ocean, please be aware of seasickness and upon return to land, may cause a short period of unsteadiness or weakness in the legs. Alcohol consumption is not permitted while partaking in Activity per the Liquor Control Act of NS.

**Pontoon Cruise Minimum Booking Requirement:** To ensure an enjoyable experience for all guests, each of our pontoon cruises requires a minimum of four (4) seats booked in order to operate. We do our very best to meet this minimum ahead of your scheduled cruise. However, in the event that we are unable to secure the required number of bookings, a guide will contact you on the day of your cruise to discuss your options. At that time, you may choose to:

- Cancel your cruise without penalty
- Rebook for an alternative cruise date or time; or
- Book additional seats to meet the minimum requirement and proceed as planned

Our goal is always to provide flexibility and ensure you have the best possible experience on the water. Thank you for your understanding and cooperation.

**Clothing & Footwear:** For optimal comfort, guests are encouraged to dress in layers, as conditions on the water are often cooler than on land. A light jacket or sweater, comfortable flat footwear, and appropriate sun protection are recommended.

**Payment Methods:** This activity charge will be applied directly to your room account. Should you wish to pay separately by card or cash, a separate trip to the Sporting Lodge will be required upon your return to dock.

**Cancellation Policy:** We require **24-hours' notice** for any cancellations or rescheduling. Cancellations made within 24 hours of your scheduled activity or no-shows will result in a full charge. **Ocean-based activities** may be cancelled by the Guide on short notice if weather conditions, winds, or sea state present a safety concern. In circumstances where conditions are deemed safe but may result in a less comfortable or wetter-than-usual experience, a Guide will proactively contact you to discuss the forecast. At that time, you will have the option to cancel or reschedule your activity without penalty.
