FOX HARB'R  
RESORT

Inspired by the renowned Himalayas Putting Course in St. Andrews, Scotland, the Fox Harb'r Resort putting course offers a lively, memorable experience for golfers of every skill level from seasoned players to beginners.

Spanning more than 30,000 square feet, the crescent-shaped green features rolling terrain with sweeping swales, long ridges, and irregular knolls that send putts breaking in unexpected directions. These natural contours create endlessly entertaining and often surprising challenges, even for the most skilled golfers.

With 18 holes that are changed daily, the course provides a number of configurations that will keep golfers guessing on which way each putt will break. Night lighting surrounding the green allows golfers to enjoy friendly putting matches or practicing their putting stoke well into the evening.
