

Catamaran Yacht

Discover our famously beautiful coastline aboard our new Leopard 53 Catamaran Yacht, available for private charters of up to 12 guests. Join your Captain and crew for a refined day on the water, whether cruising along the scenic shoreline or venturing farther offshore. The stability and spacious design of the catamaran provide exceptional comfort as you take in panoramic ocean views, watch for passing marine wildlife, or drop anchor for a refreshing swim in secluded waters. The yacht features expansive lounging areas, a washroom and changing facilities, and is fully equipped with all required safety equipment.

Catering & Beverage Enhancements: Elevate your time on the water with curated catering and beverage selections tailored to your charter. From beautifully prepared light fare to celebratory beverages, enhancements can be arranged in advance to complement your experience aboard the Catamaran Yacht. Our team will be pleased to assist in customizing selections to suit the tone of your outing — whether relaxed coastal cruising or a special occasion at sea. Advance arrangements are required.

Safety: Your safety is our 1st priority and therefore a safety talk to review safety measures will be given at the beginning of this guided tour. Since this may be the first time you are experiencing the ocean, please be aware of seasickness and upon return to land, may cause a short period of unsteadiness or weakness in the legs.

Clothing & Footwear: For optimal comfort, guests are encouraged to dress in layers, as conditions on the water are often cooler than on land. A light jacket or sweater, comfortable flat footwear, and appropriate sun protection are recommended.

Payment Methods: This activity charge will be applied directly to your room account. Should you wish to pay separately by credit card or debit, a separate trip to the Sporting Lodge will be required prior to departure time.

Cancellation Policy: We require **24-hours' notice** for any cancellations or rescheduling. Cancellations made within 24 hours of your scheduled activity or no-shows will result in a full charge. Charters aboard our Catamaran Yacht operate in a variety of weather conditions. All departures are at the discretion of the Captain, whose decision is final. The Captain will only cancel or modify the charter should weather, sea state, or other marine conditions be deemed unsafe. In the event of a weather-related cancellation initiated by the Captain, you will be offered the option to reschedule or cancel without penalty.
