

Position Title: Electrician Apprentice
Position reports to: Director of Maintenance
Salary: starts at \$19.00 per hour; group benefits
Employment: Full-time; year round

Fox Harb'r Resort is a 5 Star 4 Diamond property nestled along the coast of the Northumberland Strait in Wallace, Nova Scotia. We are offering a unique opportunity for you to experience a 5 Star Luxury work environment. With this opportunity you will be presented with a distinctive career, experience, and benefits in a World Class setting.

General Description: Electrical Apprentice works under the supervision of the Resort's Red Seal Electrician to install, maintain, troubleshoot, and repair electrical systems throughout the resort. This position provides hands-on experience in a wide variety of commercial, hospitality, industrial, and outdoor electrical applications while progressing through the apprenticeship program.

Qualifications & Requirements:

Required

- Registered Electrical Apprentice (any level considered).
- Valid driver's license.
- Basic understanding of the Canadian Electrical Code.
- Strong mechanical aptitude and problem-solving skills.
- Comfortable working indoors and outdoors in all weather conditions.
- Ability to lift up to 50 lbs, climb ladders, and work at heights.
- Strong work ethic with a willingness to learn.
- Excellent communication and teamwork skills.

Preferred

- Experience in commercial or industrial electrical work.
- Experience with motor controls, pumps, VFDs, generators, or building automation systems.

Responsibilities:

- Assist the Red Seal Electrician with the installation, maintenance, and repair of electrical systems.
- Perform preventative maintenance on electrical equipment and infrastructure.
- Assist in troubleshooting electrical faults and equipment failures.
- Install conduit, wiring, lighting, receptacles, switches, panels, and electrical controls.
- Maintain electrical systems serving hotel accommodations, restaurants, kitchens, spa facilities, pools, maintenance buildings, and recreational facilities.
- Assist with maintenance of pumps, motors, irrigation controls, water treatment equipment, sewage lift stations, and other mechanical systems.
- Perform testing using electrical diagnostic equipment and meters.
- Maintain accurate maintenance records and complete work orders.
- Ensure all work complies with applicable electrical codes, safety regulations, and company standards.
- Participate in an on-call rotation as skills and experience develop.
- Assist with emergency repairs as required.
- Maintain a clean and organized work area.
